**5.4** Delivery is completed on the completion of unloading of the Goods at the Delivery Location.  
**5.5** Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. QVME will not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide QVME with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.  
**5.6** The Customer will not be liable for the price of and QVL will refund any amount paid in respect of Goods which QVL fails to deliver. **5.9** QVME may deliver the Goods by instalments, which will be invoiced and paid for separately. Each instalment will constitute a separate contract. Any delay in delivery or defect in an instalment will not entitle the Customer to cancel any other instalment.  
**5.10** If the parties agree in writing or if QVL otherwise agrees at its discretion to deliver Goods to addresses outside of the UAE, there are restrictions on some products for certain international delivery destinations and it is the Customer's responsibility to ascertain information about the existence and applicability of such restrictions. If the Customer order products for delivery outside of the UAE, that order may be subject to import duties and taxes which are applied when the delivery reaches that destination. QVME has no control over these charges and cannot predict their amount. The Customer will be responsible for payment of any such import duties and taxes. The Customer must comply with all applicable laws and regulations of the country for which the products are destined. QVME will not be liable or responsible if the Customer breaks any such law.  
**5.11** The Goods must be stored in a cool, dry place and the Customer will clearly notify its customers to whom it resells the Goods of this requirement.

**6.1.1** have at least the Minimum Shelf Life; and  
**6.1.2** conform in all material respects with their description and any applicable Specification.  
**6.2** Subject to clause 6.3, if:  
**6.2.1** the Customer gives notice in writing to QVME within 7 Business Days of delivery (provided that notice is given to QVME within 24 hours' of discovery) (and within 24 hours' of delivery if the alleged defect is apparent on visual inspection) that some or all of the Goods do not comply with the warranty set out in clause 6.1;  
**6.2.2** QVME is given a reasonable opportunity of examining such Goods; and  
**6.2.3** the Customer (if asked to do so by QVME) returns such Goods to QVME's place of business,  
**6.2.4** QVME will replace Goods it agrees are defective, or refund the price of the defective Goods in full.  
**6.3** QVME will not be liable for the Goods' failure to comply with the warranty set out in clause 6.1 if:  
**6.3.1** the Customer makes any further use of such Goods after giving notice in accordance with clause 6.2;  
**6.3.2** the defect arises because the Customer failed to follow QVME's oral or written instructions as to the storage or use of the Goods or (if there are none) good trade practice regarding the same; the defect arises as a result of QVME following any formula, recipe or specification supplied by the Customer;  
**6.3.3** the Customer alters such Goods without the written consent of QVME;  
**6.3.4** the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or  
**6.3.5** the Goods differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.

**8.2.2** the Customer reselling the Goods, in which case title to the Goods will pass to the Customer at the time specified in clause 8.4.  
**8.3** Until title to the Goods has passed to the Customer, the Customer will:  
**8.3.1** store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as QVME's property;  
**8.3.2** not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;  
**8.3.3** maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery;  
**8.3.4** notify QVME immediately if it becomes subject to any of the events listed in clause 11.1.2 to clause 11.1.4; and  
**8.3.5** give QVME such information as QVME may reasonably require from time to time relating to:  
 (a) the Goods; and  
 (b) the ongoing financial position of the Customer.

8.4 Subject to clause 8.5, the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before QVME receives payment for the Goods. However, if the Customer resells the Goods before that time:

- 8.4.1 it does so as principal and not as QVME's agent; and
- 8.4.2 title to the Goods will pass from QVME to the Customer immediately before the time at which resale by the Customer occurs.
- 8.5 At any time before title to the Goods passes to the Customer, QVME may:
  - 8.5.1 by notice in writing, terminate the Customer's right under clause 8.4 to resell the Goods or use them in the ordinary course of its business; and
  - 8.5.2 require the Customer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product and if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

- 9.1 The price of Goods will be agreed between the parties in writing and will be confirmed by QVME in the Pro Forma Invoice.

- 10.1 The restrictions on liability in this clause 10 apply to every liability arising under or in connection with the Contract including liability in contract, tort (including negligence), misrepresentation, restitution or otherwise.

## 11. TERMINATION

- 11.1 Without limiting its other rights or remedies, QVME may terminate this Contract with immediate effect by giving written notice to the Customer if:
  - 11.1.1 the Customer commits a material breach of any term of the Contract and (if such a breach is remediable) fails to remedy that breach within 28 days of that party being notified in writing to do so;
  - 11.1.2 the Customer takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), obtaining a moratorium, being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction;
  - 11.1.3 the Customer suspends, threatens to suspend, ceases or threatens to cease to carry on all or a substantial part of its business; or
  - 11.1.4 the Customer's financial position deteriorates so far as to reasonably justify the opinion that its ability to give effect to the terms of the Contract is in jeopardy.
- 11.2 Without limiting its other rights or remedies, QVME may suspend provision of the Goods under the Contract or any other contract between the Customer and QVME if the Customer becomes subject to any of the events listed in clause 11.1.2 to clause 11.1.4, or QVME reasonably believes that the Customer is about to become subject to any of them, or if the Customer fails to pay any amount due under this Contract on the due date for payment.
- 11.3 Without limiting its other rights or remedies, QVME may terminate the Contract with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under the Contract on the due date for payment.
- 11.4 On termination of the Contract for any reason the Customer will immediately pay to QVME all of QVME's outstanding unpaid invoices and interest and, in respect of Goods supplied but for which no invoice has been submitted, QVME will submit an invoice, which will be payable by the Customer immediately on receipt.
- 11.5 Termination or expiry of the Contract, however arising, will not affect any of the parties' rights and remedies that have accrued as at termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.
- 11.6 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination or expiry of the Contract will remain in full force and effect.

## 12. DATA PROTECTION

Each party will, at its own expense, ensure that it complies with and assists the other party to comply with the requirements of all legislation and regulatory requirements in force from time to time relating to the use of personal data and the privacy of electronic communications. Each party will ensure that it has all necessary consents and notices in place to enable the lawful transfer of personal data to the other for the purposes of each party fulfilling its obligations under the Contract. Neither party will use or disclose personal data provided to it by the other in connection with the Contract other than for the purpose of fulfilling the Contract.

## 13. GENERAL

### 13.1 Dispute resolution.

- 13.1.1 An Expert is a person appointed in accordance with this clause 13.1 to resolve any disagreement between the parties relating to whether the Goods comply with the warranty at clause 6.1. Where under the Contract a party wishes to refer a matter to an Expert, the parties will first agree on the appointment of an independent Expert and agree with the Expert the terms of his appointment. If the parties are unable to agree on an Expert or the terms of the Expert's appointment within 7 days of either party serving details of a suggested expert on the other, QVME will appoint a suitable and appropriate Expert with the required expertise. The Expert is required to prepare a written decision including reasons and give notice of the decision to the parties within a maximum of 3 months of the matter being referred to the Expert. Each party will with reasonable promptness supply each other with all information and give each other access to all documents, personnel and things as the other party may reasonably require to make submissions to the Expert.

The Expert will act as an expert and not as an arbitrator. The Expert will determine the matters referred to the Expert under the Contract. The Expert's written decision on the matters referred to the Expert will be final and binding on the parties in the absence of manifest error or fraud. All matters concerning the process and result of the determination by the Expert will be kept confidential among the parties and the Expert. Each party will act reasonably and co-operate to give effect to the provisions of this clause 13.1 and otherwise do nothing to hinder or prevent the Expert from reaching their determination. The Expert and QVME will have no liability to the parties for any act or omission in relation to this appointment, save in the case of bad faith. For the avoidance of doubt, clause 13.1 will not prevent QVME from immediately initiating court proceedings to seek any interim relief (including injunctive relief) or take advantage of any applicable time limitation.

13.1.2

- 13.2 **Force Majeure.** QVME will not be in breach of the Contract or otherwise liable for any failure or delay in the performance of its obligations if such delay or failure results from a Force Majeure Event. The time for performance of such obligations will be extended accordingly.
- 13.3 **Assignment and other dealings.** QVME may at any time assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with all or any of its rights or obligations under the Contract. The Customer may not assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with any or all of its rights or obligations under the Contract without the prior written consent of QVME.
- 13.4 **Confidentiality.** Each party undertakes that it will not disclose to any person any confidential information concerning the business, assets, affairs, customers, clients or suppliers of the other party, except as permitted by this clause 13.4. Each party may disclose the other party's confidential information (a) to its employees, officers, representatives, contractors, subcontractors or advisers who need to know such information for the purposes of exercising the party's rights or carrying out its obligations under the Contract and (b) as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority. Neither party will use the other party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with the Contract. Each party will ensure that its employees, officers, representatives, contractors, subcontractors or advisers to whom it discloses the other party's confidential information comply with this clause 13.4.
- 13.5 **Entire agreement.** The Contract constitutes the entire agreement between the parties. Each party acknowledges that in entering into the Contract it does not rely on any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract. Each party agrees that it will have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in the Contract.
- 13.6 **Variation.** No variation of this Contract will be effective unless it is in writing and signed by the parties (or their authorised representatives).
- 13.7 **Waiver.** A waiver of any right or remedy is only effective if given in writing and will not be deemed a waiver of any subsequent right or remedy. A delay or failure to exercise, or the single or partial exercise of, any right or remedy will not waive that or any other right or remedy, nor will it prevent or restrict the further exercise of that or any other right or remedy.
- 13.8 **Severance.** If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it will be deemed deleted, but that will not affect the validity and enforceability of the rest of the Contract. If any provision of the Contract is deemed deleted under this clause 13.8 the parties will negotiate in good faith to agree a replacement provision that, to the greatest extent possible, achieves the intended commercial result of the original provision.
- 13.9 **Notices.** Any formal notice given to a party under or in connection with the Contract will be in writing and will be delivered by hand or by courier service or other registered delivery service at its registered office (if a company) or its principal place of business (in any other case). Any such formal notice will be deemed to have been received: if delivered by hand, at the time the notice is left at the proper address and if sent by courier or other registered delivery service, at 9.00 am on the second Business Day after sending. This clause 13.9 does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.
- 13.10 **Third party rights.** Unless it expressly states otherwise, the Contract does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Contract. The rights of the parties to rescind or vary the Contract are not subject to the consent of any other person.
- 13.11 **Conflict.** In the event of any conflict between any supply, distribution or contract manufacturing agreement entered into between the parties and the Contract, such agreement will take precedence to the extent required to resolve the conflict.
- 13.12 **Governing law.** The Contract, and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation, will be governed by and construed in accordance with the law of England and Wales. The Contract shall be deemed to have been executed and delivered within Dubai, the United Arab Emirates
- 13.13 **Jurisdiction.** Each party irrevocably agrees that the Courts of the Dubai International Financial Centre will have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract or its subject matter or formation.
